Terms of the Grant Club 21 Program grants are awarded to organizations that aim to meet 21st century health concerns of children and their families through **domestic camps** and **international projects**.

More than **\$2,500** may be awarded if additional funding is available, and also, if the number and quality of applications warrant the increase. The number of grants funded and the amount of each grant is dependent upon the available funding and the number and quality of applications. The Altrusa International Foundation, Inc. reserves the right to make the final decision on all applications.

The grant recipient is obligated to use the grant award for the intended purpose and must file a Follow Up Report at the end of the grant award period. A Grant Follow-up form is included with the award letter when the grant money is forwarded to the grantee. Grant Follow-Up forms are also available on the website or from the Altrusa International Foundation Office in Chicago.

If the grant is not used for the intended purpose, the recipient must return the grant funds in full to the International Foundation. If the money is returned as requested, the requesting organization is eligible to submit another proposal at a future date.

The requesting organization is limited to **one grant per fiscal year** and all applicants must agree to the terms of the grant. If an application is not awarded Foundation funds, the organization may reapply in the next cycle.

Cover Page: Type in complete answers to all of the requested items on the cover page. The signature of the chief executive officer of the organization requesting the grant is required on the completed cover page.
