Terms of the Grant Applicants may request between \$250.00 and \$4,000.00. The number of grants funded and the amount of each grant is dependent upon the available funding and the number and quality of applications. The Altrusa International Foundation, Inc. reserves the right to make the final decision on all applications.

The grant recipient is obligated to use the grant award for the intended purpose and must file a report six months after the grant is awarded. A Grant Follow-up form is included with the award letter when the grant money is forwarded to the Club. Grant Follow-Up forms are also available on the website or from the Altrusa International Foundation Office in Chicago.

If the grant is not used for the intended purpose, the recipient must return the grant funds in full to the foundation. If the money is returned as requested, the Altrusa Club is eligible to submit another proposal at a future date.

Altrusa Clubs may apply for one service grant per cycle in the fiscal year and all applicants must agree to the terms of the grant. If an application is not awarded Foundation funds, the Club may reapply in the next cycle.

2. **Eligibility Requirements** (5 points) All project grants must involve
 - hands-on service by Altrusans,
 - literacy related projects that improve participants' literacy skills, for example, support for the local literacy council, purchase books for a local library or school, involve tutoring of individuals; **or** benefit at least one of the following groups: abused and battered women, aged, homeless, handicapped, under privileged children, underprivileged children requiring medical attention or community members who are disadvantaged.
3. **Need** (10 points) The reviewers are looking for projects that meet your community's needs, how many participants will be served by the project and how the Altrusans learned about the need and how they decided to support the project.
4. **Project Description** (25 points) Describe the project in detail, including (a) target population, (b) objectives, (c) methods of implementation, and (d) expected benefits and results.

 - *The project **must not** involve direct funding of another entity's project, e.g., the project grant would not give money to the building fund for a library, but it would cover Altrusans going into the library and refurbishing a room themselves.*
5. **Altrusan Involvement** (10 points) Specify the percent and number of Altrusa members who will be personally involved in the project and describe that types of activities that the Altrusans are expected to accomplish. A good evaluation should provide evidence of how the funded project has met its objectives. Examples of evaluation strategies could be a pre- and post-survey of the people who are being served by the project, records of the number of people served, or interviews of the people who have been served.
8. **Sustainability** (5 points) Explain how the Altrusa Club plans to sustain the project after the grant period ends. Describe how the Altrusans plan to continue to fund the service project or provide hands on service at the end of the six-month grant period.
